Information regarding return of rental car

- The driveway leading to the office parking lot is located 100m down the road after you pass the office on your right hand
- It is only allowed to enter the driveway by turning right, as left turns are prohibited. The same applies when leaving the driveway
- The gate to the parking lot is locked outside office opening hours – 17:00 - 07:00 every day
- Renter's phone number must be included in the contract, if you wish to return the car outside office opening hours
- If the number is registered on the contract, the gate can be opened by calling the number +45 30 50 77 11 from the same number, as registered in the contract
- The gate can be unlocked this way within a given timeframe
- Please note that the gate will NOT open, if caller ID is set to anonymous/blocked on your device
- The gate will shut after entering. To leave the premises, repeat the process as described above
- Please park the car in any of the assigned parking areas (please refer to map below)
- Return the key in the key deposit box located to the left of the office entrance
